Don't ever leave

Don't ever leave

Your pretty brown eyes

Your wavy hair

I won't go home no more

Cause you're not there

I'm telling you now

Like I told you before

I'm so in love with you

Don't leave me no more

Don't ever leave me

Lipstick traces

On a cigarette

Every memory lingers

With me yet

I got it bad

Like I told you before

I'm so in love with you

Don't leave me no more

(Leave me no more)

(Won't you come on home)

Won't you come on home

(Won't you come back home)

Won't you come back home

I'm crazy about you

Can't do without you

Won't you come back home

Lipstick traces

On a cigarette

Every memory lingers

With me yet

I got it bad

Like I told you before

I'm so in love with you

Don't leave me no more

(Don't ever leave me)

Oh, yeah, I got it bad

I got it bad

Like I told you before

I'm so in love with you

Don't leave me no more

(Don't ever leave me)

No more

(Don't ever leave me)

Don't leave me no more, babe

(Don't ever leave me)
