People all over the world
(everybody) join hands (join)
Start a love train, love train
People all over the world
(all the world, now)
Join hands (love ride)
Start a love train
(love ride), love train

The next stop that we
make will be England
Tell all the folks in
Russia, and China, too
Don't you know that it's
time to get on board?
And let this train keep
on riding, riding on through

Well well
People all over the world
(you don't need no money)
join hands (come on)
Start a love train, love train
(don't need no ticket, come on)
People all over the world
(ride this train)
(Ride this train, y'all)
Start a love train
(Come on, train), love train

All of you brothers over in Africa
Tell all the folks in
Egypt, and Israel, too
Please don't miss this

train at the station
'Cause if you miss it
I feel sorry, sorry for you

Well people all over the world
(Sisters and brothers)
join hands (join, come on)

Start a love train
(ride this train, y'all)
love train (Come on)
People all over the world
(Don't need no tickets)
Join hands (come on, ride)
Start a love train, love train

Ride, let it ride
Let it ride
Let it ride
People, ain't no war

People all over the world
(on this train)
join in (ride the train)
Start a love train
love train (ride the train, y'all)
People all over the world
(come on) join hands
(you can ride or stand, yeah)
Start a love train
love train (makin' love)
People all over the world
('round the world, y'all)
Join hands (come on)
Start a love train, love train
