"Stairway To Heaven"

Here we go
Climbing the stairway to heaven
Here we go
Walking the road of ecstasy
Taking the load
Of this whole world off our shoulders
The door is wide open for you
The door is open for me

Here we go
Still in a moment of pleasure
You and I
We are gonna find the pirates treasure
Here we go
Oh baby here we go
Climbing the stairway to heaven
Climbing the stairway to heaven
And we are going step by step
Together
Step by step
climbing the stairway to heaven
Climbing the stairway to heaven
And we are going step by step
Together
Step by step

Put your hand
Lean closer
Don't you wanna go
Don't you wanna go
In our own little corner of the world
