Chorus

Thinkin about you girl because
I'm so far away from you
Wantin you to know that this love I have is always true.
Not a day goes by that I don't see you in my eye
But I try to carry on,
My God so lonely I could die.
But my heart, feelin the sparks that u been giving me
Why we in 2 different places, girl u know it's insanity.
The man in me is what I gotta find to carry on
The song is what I'm sending to u girl,
It's been to long.
