See the tree  
How big it's grown  
But friend it hasn't been too long, wasn't it  
I laughed at her  
And she got made,  
The first day she planted it  
Was just a twig  
And then the first snow came  
And she ran out to brush the snow away,  
So it wouldn't die  
Came running in all excited  
Slipped and almost hurt herself  
And I laughed till I cried  
She was always young at heart  
And kind of dumb, kind of smart  
And I loved her so  
I surprised her with a puppy  
Kept me up all Christmas eve, two years ago  
And it would sure embarrass her  
When I came home from workin' late  
Cause I would know  
That she'd been sitting there and crying  
Over some sad and silly late late show  
And honey I miss you  
Oh and I'm being good  
And I'd love to be with you  
If only I could  
Oh she wrecked the car  
And she was sad  
And so afraid I'd be mad  
But what the heck  
Though I pretended hard to be  
Guess you could say she saw through me  
And hugged my neck  
I came home unexpectedly  
And found her crying needlessly  
In the middle of the day  
And it was in the early spring  
When flowers bloom and robins sing  
She went away  
One day while I wasn't home  
While she was there and all alone

The angels came  
Now all I have is memories of honey  
And I wake up nights and call her name  
Now my life's an empty stage  
Where honey lived and honey played  
And love grew up  
A small cloud passes overhead  
And cries down in the flowerbed  
That honey loved  
Oh honey I miss you  
Miss you  
And I'm being good  
And I'd love to be with you  
Honey I miss you  
Miss you  
I'm being good  
And I'd love to be with you  
If only I could
