Show me who you are
I'll show you what you love
I'll give you half the world if that's enough
Let me take you down
Let me see you smile
Let me rest my head here for a while

In the end we'll leave it all behind
Cos the life I think I'm trying to find
Is probably all in the mind

Show me who you are
I'll show you what you love
I'll give you half the world if that's enough

In the end we'll leave it all behind
Cos the life I think I'm trying to find
Is probably all in the mind

In the end we'll leave it all behind
In the end we'll leave it all behind
In the end we'll leave it all behind
In the end we'll leave it all behind
Cos the life I think I'm trying to find
Is probably all in the mind

Its all in the mind
Its all in the mind
Its all in the mind
All in the mind
