I wanna love you
I wanna be a better man
I don't wanna hurt you
I just wanna see what's in your hands

Well, alright now
Well, alright now

And I know you'll understand
And I know you'll understand

I wanna love you
I wanna be a better man
I don't wanna hurt you
I just wanna see what's in your hands
Well, alright now
Well, alright now

And I know you'll understand
And I know you'll understand

I'm gonna be a better man
I'm gonna be a better man

I'm gonna be a better man
I'm gonna be a better man

I'm gonna be a better man
I'm gonna be a better man

I'm gonna be a better man
I'm gonna be a better man
