Here's a thought for every man who tries to understand
What is in his hands?
He walks along the open road of love and life
Survivin' if he can

Bound with all the weight of all the words he tried to
say
Chained to all the places that he never wished to stay
Bound with all the weight of all the words he tried to
say
As he faced the sun he cast no shadow

As they took his soul they stole his pride
As they took his soul they stole his pride
As they took his soul they stole his pride
As he faced the sun he cast no shadow

Here's a thought for every man who tries to understand
What is in his hands?

He walks along the open road of love and life
Survivin' if he can

Bound with all the weight of all the words he tried to
say
Chained to all the places that he never wished to stay
Bound with all the weight of all the words he tried to
say
As he faced the sun he cast no shadow

As they took his soul they stole his pride
As they took his soul they stole his pride
As they took his soul they stole his pride
As they took his soul they stole his pride

As he faced the sun he cast no shadow
As he faced the sun he cast no shadow
As he faced the sun he cast no shadow
As he faced the sun he cast no shadow
