Is it my imagination  
Or have I finally found something worth living for?  
I was looking for some action  
But all I found was cigarettes and alcohol

You could wait for a lifetime  
To spend your days in the sunshine  
You might as well do the white line  
Cos when it comes on top

You gotta make it happen  
You gotta make it happen  
You gotta make it happen  
You gotta make it happen

Is it worth the aggravation  
To find yourself a job when there's nothing worth  
working for?  
It's a crazy situation  
But all I need are cigarettes and alcohol!

You could wait for a lifetime  
To spend your days in the sunshine  
You might as well do the white line  
Cos when it comes on top

You gotta make it happen  
You gotta make it happen  
You gotta make it happen  
You gotta make it happen

You gotta, you gotta, you gotta make it  
You gotta, you gotta, you gotta fake it  
You gotta, you gotta, you gotta make it  
You gotta, you gotta, you gotta fake it, hoo!
