Step off the train all alone at dawn  
Back into the hole where I was born  
The sun in the sky never raised an eye to me  
The blood on the trax and must be mine  
The fool on the hill and I feel fine  
Don't look back cos you know what you might see

Look into the wall of my mind's eye  
I think I know, but I don't know why  
The questions are the answers you might need  
Coming in a mess going out in style  
I ain't good-looking but I'm someone's child  
No-one can give me the air that's mine to breathe

I met my maker  
I made him cry  
And on my shoulder he asked me why  
His people won't fly through the storm  
I said "Listen up man, they don't even know you're  
born"

All my people right here, right now  
D'You Know What I Mean?  
All my people right here, right now  
D'You Know What I Mean?  
All my people right here, right now  
D'You Know What I Mean?  
Yeah, yeah

I don't really care for what you believe  
So open up your fist or you won't receive  
The thoughts and the words of every man you'll need  
Get up off the floor and believe in life  
No-one's ever gonna ever ask you twice  
Get on the bus and bring it on home to me
