Listen to the monkey
Feedin' on your brain
I feel okay
No pain

I'm tired of shocking junkie
Suckin' on your veins
Forget no way
No ways

I'm tired of runnin' hunchback
I've been tripping now for days
And there is no way
You don't say

I got my drip drab velcro moustache
Keeps them all at bay
Get yours some day
Oh, yeah

'Cos we don't love our paycheck
Battle up your date
Don't get no love
No love

Double takes for feelin'
And empty realities
'Cos can't get no love
Get no love

C'mon like eyeball tickler
Get up of your knees
And smile above
Above

Listen to the monkey
Feedin' on your brain
I feel okay
No pain

I'm tired of shocking junkie
Suckin' on your veins

Forget no ways
No ways

Desire all you want
But you got what you need
Not too much
Too much
