It's nine o'clock, i'm getting tired  
I'm sick of all my records  
And the clothes i bought today  
Am i cracking up, or just getting older?  
I'm staying in, i can't be bothered  
Making conversation  
With the friends that i don't know  
Am i cracking up, or just getting older?

And i bet that this is how life  
Turns out when you're finally grown  
And you know if this my life  
I'll sit around all day and i'll moan

I'm halfway up to the bottom  
Of another bottle  
Of my next best favourite friend  
Am i cracking up  
Or just getting older?  
You're not cracking up  
You're just getting older  
We're not cracking up  
We're just getting older
