Pain no illusion, try to click with whatcha got  
Taste every potion cos if your like yourself a lot  
Go let it out, go let it in, go let it out

Life is precocious in a most peculiar way  
Sister psychosis don't got a lot to say  
She go let it out, she go let it in, she go let it out  
She go let it out, she go let it in, she go let it out

Is it any wonder why princess and kings  
Are clowns that caper in their sawdust rings  
And ordinary people that are like you and me  
We're the keepers of their destiny

I'm goin' leaving this city, i'm goin' drivin' outta town  
You're comin' with me the right time is always now  
To go let it out, go let it in, go let it out  
To go let it out, go let it in, go let it out

Is it any wonder why princes and kings  
Are clowns that caper in their sawdust rings  
Cos ordinary people that are like you and me  
We're the builders of their destiny

So go let it out - Go let it in  
Go let it out - Don't let it in  
Go let it out - Go let it in  
Go let it out - Don't let it - Don't let it in
