Hate the way that you've taken back  
Everything you've given to me  
And the way that you'd always say  
"It's nothing to do with me"

Different versions of many men  
Come before you came  
All their questions were similar  
The answers just the same

I'm gonna get me a motor car, maybe a Jaguar  
Maybe a plane or day of fame  
I'm gonna be a millionaire, so can you take me there?  
Wanna be wild 'cause my life's so tame

Here am I, going nowhere on a train  
Here am I, growing older in the rain  
Hey, hey, hey

Hate the way that you've taken back  
Everything you've given to me  
And the way that you always say  
'It's nothing to do with me'

Different versions of many men  
Come before you came  
All their questions were similar  
The answers just the same

I'm gonna get me a motor car, maybe a Jaguar  
Maybe a plane or day of fame  
I'm gonna be a millionaire, so can you take me there?  
Wanna be wild 'cause my life's so tame

Here am I, going nowhere on a train  
Here am I, growing older in the rain  
Here am I, going nowhere on a train  
Here am I, getting lost and lonely  
Sad and only, why sometimes does my life feel so  
tame?  
Hey, hey, hey
