I would like to leave this city
This old town don't smell too pretty and
I can feel the warning signs running around my mind
And when I leave this island I'll book myself into a soul
asylum
Cos I can feel the warning signs running around my
mind

So here I go, Im still scratching around the same old
hole
My body feels young but my mind is very old
So what do you say?
You can give me the dreams that are mine anyway
Youre half the world away
Half the world away
Half the world away
Ive been lost, Ive been found but I don't feel down.

And when I leave this planet
You know I'd stay but I just can't stand it and
I can feel the warning signs running around my mind
And if I could leave this spirit I'd find me a hole and I'll
live in it cos
I can feel the warning signs running around my mind

So here I go still scratching around in the same old
hole
My body feels young but my mind if very old
So what do you say?
You can give me the dreams that are mine anyway
Youre half the world away
Half the world away
Half the world away
Ive been lost, Ive been found but I don't feel down
No I don't feel down
No I don't feel down

I don't feel down
I don't feel down
I don't feel down
I don't feel down
