I know a girl who's lost and lonely  
Sits by the phone on her own  
But the phone don't ring  
And the birds don't sing in her tree

She lost herself in a haze of pity  
And doesn't know where to run  
She's a headshrinker now  
And I think it's time we had some fun

Lost in a fog up a tree like a dog and I'm outta here  
I got no name and I feel no shame and I got no fear  
And I bow down to the tears of a clown  
Whatever's goin' down is comin' around  
I hope you don't regret today  
For the rest of your lives  
For the rest of your lives  
For the rest of your lives  
For the rest of your lives

Lost in a fog up a tree like a dog and I'm outta here  
I got no name and I feel no shame and I got no fear  
And I bow down to the tears of a clown  
Whatever's goin' down is comin' around  
I hope you don't regret today  
For the rest of your lives

I know a girl who's lost and lonely  
Sits by the phone on her own  
But the phone don't ring  
And the birds don't sing in her tree

She lost herself in a haze of pity  
And doesn't know where to run  
She's a headshrinker now  
And I think it's time we had some fun

Lost in a fog up a tree like a dog and I'm outta here  
I got no name and I feel no shame and I got no fear  
And I bow down to the tears of a clown  
Whatever's goin' down is comin' around  
I hope you don't regret today

For the rest of your lives  
For the rest of your lives  
For the rest of your lives  
For the rest of your lives
