I hitched a ride with my soul by the side of the road
Just as the sky turned black
I took a walk with my fame down memory lane
I never did find my way back

You know that I gotta say, "Time's slipping away"
And what will it hold for me
What am I gonna do while I'm looking at you
You're standing, ignoring me

I thought that I heard someone say now
There's no time for running away now
Hey now! Hey now!

Feel no shame 'coz time's no chain
Feel no shame

The first thing I saw as I walked through the door
Was a sign on the wall that read
It said you might never know that I want you to know
What is written inside of your head

And time as it stands won't be held in my hands
Or living inside of my skin
And as it fell from the sky, I asked myself, "Why
Can I never let anyone in?"

I thought that I heard someone say now
There's no time for running away now
Hey now! Hey now!

Feel no shame 'coz time's no chain
Feel no shame

Feel no shame 'coz time's no chain
Feel no shame

I hitched a ride with my soul by the side of the road
Just as the sky turned black
I took a walk with my fame, down memory lane
I never did find my way back

You know that I gotta say, "Time's slipping away"
And what will it hold for me
What am I gonna do while I'm looking at you
You're standing, ignoring me

I thought that I heard someone say now
There's no time for running away now
Hey now! Hey now!

Hey now! Hey now!
Hey now! Hey now!
Hey now! Hey now!
Hey now! Hey now!

Feel no shame 'coz time's no chain
Feel no shame 'coz time's no chain

Feel no shame 'coz time's no chain
Feel no shame
