"Hide Your Love Away"

Here I stand with head in hand
I turn my face to the wall
If she's gone I can't go on
Feeling two foot small

Everywhere people stare
Each and every day
I can hear them laugh at me
And then I hear them say

Hey, you've got to hide your love away
Hey, you've got to hide your love away

How can I even try?
I can never win
Seeing them, hearing them
In the state I'm in

How could she say to me
"Love will find a way"?
So gather 'round all you clowns
Let me hear you say

Hey, you've got to hide your love away
Hey, you've got to hide your love away
