I get up when im down
i cant swim
but my soul wont drown
i take leave
ive got flare
ive got speed and i walk on air

coz god gave me some' even though i cant roll' blade
coz god gave me some' even though i cant roll' blade

and i get so high and i just cant feel it
and i get so high and i just cant feel it

in and round my brain running through vains

your my sunshine your my rain

theres a light that shines on
shines on me
and it keeps me warm
it keeps peace
i must say
i cant sleep coz the world wont wait

coz god gave me some' even though i cant roll' blade
coz god gave me some' even though i cant roll' blade

and i get so high and i just cant feel it
and i get so high and i just cant feel it

in and round my brain running through vains

your my sunshine your my rain

and i get so high and i just cant feel it
and i get so high and i just cant feel it
and i get so high and i just cant feel it
and i get so high and i just cant feel it

in and round my brain running through vains

your my sunshine your my rain
