I am going away  
I am going away  
So you make my life hell here  
That is only the way

All what I can say  
I am going away  
To the queen of the sea

To save my life in the shore sea  
the land along the edge of the tree,  
near lake a broad river far away,

that is all what I can say  
I am going away  
To the queen of the sea

When the sun shine again  
Cross the darkness in my mined  
Shattered the sadness in my dream

I don't mint, just all what I can say  
I am going away  
To the queen of the sea  
Along all the streets, the hills  
Down the bottom lakes,  
Thought the jungle frost trees

all what I can say  
I am going away  
To the queen of the sea

Just leave me alone, no hope without rose,  
Around the schools, pupils so kind, teachers,  
Lovely PE trainers,

so all what I can say  
I am going away  
To the queen of the sea

To where, is the soul of the light  
The sun will shine again, sending

the starlings to universe

from to the light of the lights

I am going away

To the queen of the sea
