It must have been love
But its over now..

Lay a whisper on my pillow
Leave the winter on the ground
I wake up lonely
There's air of silence
In the bedroom and all around
Touch me now
I close my eyes and dream away

It must have been love but it's over now
It must have been good but I lost it somehow
It must have been love but it's over now
From the moment we touched 'til the time had run out

Make-believing we're together
That I'm sheltered by your heart
But in and outside
I've turned to water like a teardrop in your palm
And it's a hard winter's day
I dream away

It must have been love but it's over now
It was all that I wanted

Now I'm living without
It must have been love but it's over now
It's where the water flows
It's where the wind blows

It must have been good but I lost it somehow
It must have been love but it's over now
From the moment we touched 'til the time had run out

It must have been love but it's over now
It was all that I wanted
Now I'm living without
It must have been love but it's over now
It's where the water flows
It's where the wind blows

It must have been love but it's over now
now oh oh oh
It must have been love but it's over now
now oh oh oh
