Listen up
What the time said today
I'm gonna speak my mind

Take me up
To the top of the world
I wanna see my crime

Day by day
There's a man in a suit
Who's gonna make you pay

For the thoughts
That you think and the words
They won't let you say

One fine day
Gonna leave you all behind
It wouldn't be so bad
If I had more time

Sailing down the river alone
I've been trying to find
My way back home
But I don't believe in magic
Life is automatic

But I don't mind
Being on my own
No, I don't mind
Being on my own

Listen up
What the time said today
I'm gonna speak my mind

Take me up
To the top of the world
I wanna see my crime

Day by day
There's a man in a suit

Who's gonna make you pay

For the thoughts
That you think and the words
They won't let you say

One fine day
Gonna leave you all behind
Wouldn't be so bad
If I had more time

Sailing down the river alone
I've been trying to find
My way back home
But I don't believe in magic
Life is automatic

But I don't mind
Being on my own
No, I don't mind
Being on my own

No, I don't mind
Being on my own
I said that, I don't mind
Being on my own

Sailing down the river alone
I've been trying to find
My way back home
But I don't believe in magic
Life is automatic

But I don't mind
Being on my own
I said that, I don't mind
Being on my own

No, I don't mind
Being on my own
I said that, I don't mind
Being on my own

No, I don't mind
Being on my own
I said that, I don't mind
Being on my own
