Little James  
We're all the same  
Always seem to look to us  
We weren't meant to be grown ups  
Thank you for your smile  
You make it all worth while to us

Live for your toys  
Even though they make noise  
Have you ever played with plasticine  
Even tried a trampoline  
Thank you for your smile  
You make it all worthwhile to us

I'm singing this song  
For you and your mom  
And that's all  
It wont be long  
Before everyone is gone

Sailed out to sea  
Your mom, you and me  
You swam the oceans like a child  
Life around us was so wild  
Thank you for your smile  
You make it all worth while to us

I'm singing this song  
For you and your mom  
And that's all  
It wont be long  
Before everyone is gone

Na na na na na na  
Na na na na na na  
Na na na na na na
