maybe I don't really wanna know  
How your gardens grow  
Coz I just wanna fly  
Lately did you ever feel the pain  
in the morning rain  
as it soaks it to the bone

Maybe I just wanna fly  
wanna live , don't wanna die  
maybe I just wanna breathe  
maybe I just don't believe  
maybe you're the same as me  
we see things they'll never see  
you and I are gonna live forever

I said maybe I don't really wanna know  
how your gardens grow  
coz I just wanna fly  
Lately did you ever feel the pain  
in the morning rain  
as it soaks it to the bone

maybe I will never be  
all the things that I'dd like to be  
now is not the time to cry  
now it's time to find out why  
I think you're the same as me  
we see things they'll never see  
you and I are gonna live forever

guitar solo

maybe I don't really wanna know  
how your gardens grow  
Coz I just wanna fly  
Lately did you ever feel the pain  
in the morning rain  
as it soaks it to the bone

maybe I just wanna fly  
wanna live , don't wanna die

maybe I just wanna breathe  
maybe I just don't believe  
maybe you're the same as me  
we see things they'll never see  
you and I are gonna live forever

are gonna live forever

are gonna live forever

we're gonna live forever

we're gonna live forever

we're gonna live forever
