I'm tired and I'm sick

Got a habit that I just can't kick

(I) Feel hungover and I'm all in love

When the lights go down

I'm gonna shoot ?em all/up

S'alrite

Don't be afraid

You gotta keep dreaming in the bed you made

And if it tastes like shit

Well, it beats sleeping rough on the floor

Keep saying that my head's locked up in the clouds

Keep praying that the lord won't slow me down

I'm tired and I'm sick

Got a habit that I can't, won't lick

Feel hungover and I'm all in love

Let the lights go down

Me and you are gonna shoot em all/up

Keep saying that my head's locked up in the clouds

Keep praying that the lord won't slow me down

I'm tired and I'm sick

Got a habit that I just can't kick

Feel hungover and I'm all in love

When the lights go down

Me and you are gonna shoot em all/up
