An extraordinary guy
Can never have an ordinary day
He might live a long goodbye
But that is not for me to say
I dig his friends, I dig his shoes
He is just a child with nothing to lose
But his mind, his mind

They are sleeping while they dream
But then they want to be adored
They who don't say what they mean
Will live and die by their own sword
I dig their friends, I dig their shoes
They are like a child with nothing to lose
In their minds, yeah in their minds

But I'll have my way
In my own time
I'll have my say
My star will shine

'Cos you see me I've got my magic pie
Think of me, yeah that was me I was that passer by
I've been and now I've gone

There are but a thousand days
But heading for a thousand years
Many minds to educate
The people who have disappeared
D'you dig my friends? D'you dig my shoes?
I am like a child with nothing to lose
But my mind, yeah, my mind

We'll have our way
In our own time
We'll have our say
'Cos my star's gonna shine

'Cos you see me I've got my magic pie
Think of me, yeah that was me I was that passer by
I've been and now I've gone

Yeah yeah yeah

You see me I've got my magic pie
Think of me, yeah that was me I was that passer by
Yeah, passer by

Think of me I've got my magic pie
Think of me, yeah that was me I was that passer by
I've been and now I've gone

Yeah yeah yeah
