"get on with it, come on  
get the counting, where is it  
one, two, three, four"  
take the time to make some sense  
of what you want to say  
and cast your words away upon the waves

and sail them home with acquiesce  
on a ship of hope today  
and as they land upon the shore  
tell them not to fear no more  
say it loud, and sing it proud today

and then dance if you wanna dance  
please brother take a chance  
you know they're gonna go  
which way they wanna go  
all we know is that we don't  
know how it's gonna be  
please brother let it be  
life on the other hand  
won't make us understand  
we're all part of the masterplan

say it loud and sing it proud today

i'm not saying right is wrong  
it's up to us to make  
the best of all the things  
that come our way

'cos everything that's been has passed  
the answer's in the looking glass  
there's four and twenty million doors  
down life's endless corridor  
say it loud and sing it proud today

we'll dance if they wanna dance  
please brother take a chance  
you know they're gonna go  
which way they wanna go

all we know is that we don't  
know how it's gonna be  
please brother let it be  
life on the other hand  
won't make you understand  
we're all part of the masterplan

oooooooohhhhh  
oooooooohhhhh

"i'd like to be, under the sea  
in an octopuses garden, in the shade"
