Sing a sad song in a lonely place
Try to put a word in for me
It's been so long
Since I found the space

You better put in two or three
We as people are just walking 'round
Our heads are firmly fixed in the ground

What we don't see
Well, it can't be real
What we don't touch
We cannot feel

Where we're living in this town
The sun is coming up
And it's going down
But it's all just the same
At the end of the day

And we cheat and we lie
Nobody says it's wrong
So we don't ask why
'Cause it's all just the same
At the end of the day

We're throwing it all away
We're throwing it all away
We're throwing it all away
At the end of the day

If you need it
Something I can give
I know I'd help you if I can
If you're honest
And you say that you did

You know that I would give you my hand
Or a sad song in a lonely place
I'll try to put a word in for you

Need a shoulder?

Well, if that's the case
You know there's nothing I wouldn't do

Where we're living in this town
The sun is coming up
And it's going down
But it's all just the same
At the end of the day

When we cheat and we lie
Nobody says it's wrong
So we don't ask why
'Cause it's all just the same
At the end of the day

Don't throw it all away
Don't throw it all away
Don't throw it all away
Don't throw it all away

Throwing it all away
Throwing it all away
Throwing it all away

Throwing it all away
Throwing it all away
You're throwing it all away
At the end of the day
