I'd like to be somebody else  
And not know where I've been  
I'd like to build myself  
A house out of plasticine

Shake along with me  
Shake along with me

I've been driving in my car  
With my friend Mister Soft  
Mister Clean and Mister Ben  
Are living in my loft

Shake along with me  
Shake along with me

I'm sorry but I just don't know  
I know you said I told you so  
But when you're happy and you're feeling fine  
Then you'll know it's the right time  
Then you'll know it's the right time

To shake along with me  
Shake along with me  
Shake along with me  
Shake along with me

Mister Sifter sold me songs  
When I was just sixteen  
Now he stops at traffic lights  
But only when they're green

Shake along with me  
Shake along with me  
Shake along with me

Shake along with me  
Shake along with me  
Shake along with me  
Shake along with me

Shake along with them

Shake along with me  
Shake along with them  
Shake along with me
