Shes electric  
Shes in a family full of eccentrics  
Shes done things Ive never expected  
And I need more time

Shes got a sister  
And God only knows how Ive missed her  
And on the palm of her hand is a blister  
And I need more time

And I want you to know  
Ive got my mind {made up now/mind made up now}  
But I need more time  
And I want you to say  
Do you know what {Im saying/what Im saying}  
But I need more  
{cuz I'll be you and you'll be me/tiiiiii-iiime}  
{there's lots and lots for us to see/ahhhhh-ahhhhh}  
{lots and lots for us to do/ahhhhh-ahhhhh}  
{she is electric/ahhhhh}  
{can I be electric too? /ahhhhh}

Shes got a brother (a brother)  
We don't get on with one another  
But I quite fancy her mother  
And I think that she likes me

Shes got a cousin (a cousin)  
In fact she's got a dozen (a dozen)  
Shes got one in the oven (oven)  
But it's nothing to do with me

And I want you to know  
Ive got my mind {made up now/mind made up now}  
But I need more time  
And I want you to say  
Do you know what {Im saying/what Im saying}  
But I need more  
{cuz I'll be you and you'll be me/tiiiiii-iiime}  
{there's lots and lots for us to see/ahhhhh-ahhhhh}  
{there's lots and lots for us to do/ahhhhh-ahhhhh}  
{she is electric/ahhhhh}

{can I be electric too? /ahhhhh}  
Can I be electric too? [-- 3 times
