Slide away and give it all you've got
My today fell in from the top
I dream of you and all the things you say
I wonder where you are now?

Hold me down, all the world's asleep
I need you now, you knock me off my feet
I dream of you and the thought of growing old
But you said, "Please don't"

Slide in baby together we'll fly
I've tried praying but I don't know what you're saying to
me

Now that you're mine
We'll find a way of chasing the sun
Let me be the one who shines with you
In the morning we don't know what to do

Two of a kind
We'll find a way to do what we've done
Let me be the one who shines with you
And we can slide away, slide away, slide away, away

Slide away and give it all you've got
My today fell in from the top
I dream of you and all the things you say
I wonder where you are now?

Slide in baby together we'll fly
I've tried praying and I know just what you're saying to
me

Now that you're mine
We'll find a way of chasing the sun
Let me be the one who shines with you
In the morning we don't know what to do

Two of a kind
We'll find a way to do what we've done
Let me be the one who shines with you
And we can slide away

Slide away, slide away, slide away, slide away
Slide away, slide away, slide away

Slide away, slide away, slide away
Slide away, slide away, slide away
Slide away, slide away, slide away
