Made a meal and threw it up on Sunday I've -
Gotta lot of things to learn
Said I would and I'll be leaving one day -
Before my heart starts to burn

So what's the matter with you?
Sing me something new... don't you know
The cold and wind and rain don't know
They only seem to come and go away

Times are hard when things have got no meaning
I've found a key upon the floor
Maybe you and I will not believe in the things we find
Behind the door

So what's the matter with you?
Sing me something new... don't you know
The cold and wind and rain don't know
They only seem to come and go away

Stand by me - nobody knows the way it's gonna be
Stand by me - nobody knows the way it's gonna be
Stand by me - nobody knows the way it's gonna be
Stand by me - nobody knows, yeah nobody knows
The way it's gonna be

If you're leaving will you take me with you
I'm tired of talking on my phone
There is one thing I can never give you
My heart will never be your home

So what's the matter with you?
Sing me something new... don't you know
The cold and wind and rain don't know
They only seem to come and go away

Ay hay

Stand by me - nobody knows the way it's gonna be
Stand by me - nobody knows the way it's gonna be
Stand by me - nobody knows the way it's gonna be
Stand by me - nobody knows, yeah nobody knows

The way it's gonna be
The way it's gonna be
Maybe I can see

Don't you know
The cold and wind and rain don't know
They only seem to come and go away

Ay hay

Stand by me - nobody knows the way it's gonna be
Stand by me - nobody knows the way it's gonna be
Stand by me - nobody knows the way it's gonna be
Stand by me - nobody knows, yeah god only knows
The way it's gonna be... ..
