Hold up, hold up
Don't be scared
You'll never change what's been and gone

May your smile
(May your smile)
Shine on
(Shine on)
Don't be scared
(Don't be scared)
Your destiny will keep you on

'Cause all of the stars have faded away
Just try not to worry, you'll see them some day
Take what you need and be on your way
And stop crying your heart out

Get up
(Get up)
Come on
(Come on)
Why you scared?
(I'm not scared)
You'll never change what's been and gone

'Cause all of the stars have faded away
Just try not to worry, you'll see them some day
Take what you need and be on your way
And stop crying your heart out

'Cause all of the stars have faded away
Just try not to worry, you'll see them some day
Just take what you need and be on your way
And stop crying your heart out

We're all of the stars, we're fadin' away
Just try not to worry, you'll see us some day
Just take what you need and be on your way
And stop crying your heart out

Stop crying your heart out

Stop crying your heart out
Stop crying your heart out
