Just when it falls apart  
And when it's time to start  
Will you sit down here for another day  
And when it's time to be  
All the things that we  
Are wishing away for another day

Cos in my soul we know where we're goin  
We're goin where the grass is green,  
the air is clean and the good times are growin'  
So take me away  
Just for today  
Cos I'm sat here on my own  
I'd like to be  
Under the sea  
Where they'd probaly need a phone

And just when it falls apart  
And just when it's time to start

Will you sit down here for another day

Cos in my soul we know where we're goin  
We're goin where the grass is green,  
the air is clean and the good times are growin'  
So take me away  
Just for today  
Cos I'm sat here on my own  
I'd like to be  
Under the sea  
Where they'd probaly need a phone  
I could be you  
If I wanted to  
But I've never got the time  
You could be me  
And pretty soon you will be  
But you're gonna need a line

Need a line  
Need a line  
Need a line
