If I may be so bold that I just say somethin'  
Come and make me my day  
The clouds around your soul  
Don't gather there for nothin'  
But I can chase them all away

Why do you need a reason for to feel happy  
Or shining for the rest of the world  
Give me just a smile and would you make it snappy  
Get your shit together girl

You've got a feeling lost inside you  
Just won't let you go  
Your life is sneakin' up behind  
It just won't let you go  
No it just won't let you go

Is what I'm tryin' to say, is would you maybe  
Come dancin' with me 'cos to me it doesn't matter  
If your hopes and dreams are shattered  
When you say somethin', you make me believe  
Yeah, the girl who wears a dirty shirt  
She knows exactly what she's worth  
She knows exactly what she's worth to me  
But I can see, I can see

If you ever find yourself inside a bubble  
You gotta make your own way home  
You can call me anytime you're seein' double  
Now you know you're not alone

You've got a feeling lost inside you  
Just won't let you go  
Your life is sneekin' up behind  
It just won't let you go  
No it just won't let you go

Is what I'm tryin' to say, is won't you maybe  
Come dancin' with me 'cos to me it doesn't matter  
If your hopes and dreams are shattered  
When you say somethin', you make me believe  
You're the girl who wears a dirty shirt

She knows exactly what she's worth

Maybe she'll come dancin' with me  
'Cos to me it doesn't matter  
If her hopes and dreams are shattered  
When she says somethin', she'll make me believe  
You're the girl who wears a dirty shirt  
She knows exactly what she's worth to me

She knows exactly what she's worth to me  
She knows exactly what she's worth to me  
She knows exactly what she's worth to me  
She knows exactly what she's worth to me

Now I see  
Now I see  
Now I see
