I get up when I'm down
I can't swim but my soul won't drown
I do believe I've got flare
I got speed and I walk on air

Cos god give me a soul
In your rock n' roll band
Cos god give me a soul
In your rock n' roll band
I can get so high I just can't feel it
I can get so high I just can't feel it

In and out my brain
Running through my veins
Cos you're my sunshine
You're my rain

I get up when I'm down
I can't swim but my soul won't drown
I do believe I've got flare
I got speed and I walk on air

Cos god give me a soul
In your rock n' roll band
Cos god give me a soul
In your rock n' roll band
I can get so high I just can't feel it
I can get so high I just can't feel it

In and out my brain
Running through my veins
Cos you're my sunshine
You're my rain

I can get so high I just can't feel it
I can get so high I just can't feel it
I can get so high I just can't feel it
I can get so high I just can't feel it

In and out my brain
Running through my veins
Cos you're my sunshine

You're my rain
