All your dreams were made
When you're chained to the mirror and the razor blade
Today's the day when all the world will see
Another sunny afternoon walking to the sound of my
favourite tune
Tomorrow never knows what he doesn't notice soon
Need a little time to wake up
Need a little time to wake up, wake up
Need a little time to wake up
Need a little time to rest your mind
You know you should so I guess you might as well

What's the story morning glory?
Well, need a little time to wake up, wake up
Well, what's the story morning glory?
Well, you need a little time to wake up, wake up.

All your dreams were made

When you're chained to the mirror and the razor blade
Today's the day when all the world will see
Another sunny afternoon walking to the sound of my
favourite tune
Tomorrow never knows what he doesn't notice soon
Need a little time to wake up
Need a little time to wake up, wake up
Need a little time to wake up
Need a little time to rest your mind
You know you should so I guess you might as well

What's the story morning glory?
Well, need a little time to wake up, wake up
Well, what's the story morning glory?
Well, need a little time to wake up, wake up.
