Made a meal and threw it up on Sunday  
I've got a lot of things to learn  
Said I would and I believe in one day  
Before my heart starts to burn

So what's the matter with you?  
Sing me something new, don't you know  
The cold and wind and rain don't know  
They only seem to come and go away

Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows, yeah, nobody knows the  
way it's gonna be

If you're leaving will you take me with you  
I'm tired of talking on the phone  
There is one thing I could never give you  
My heart could never be your home

So what's the matter with you?  
Sing me something new, don't you know  
That cold and wind and rain don't know  
They only seem to come and go away

Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows, yeah, nobody knows the  
way it's gonna be

The way it's gonna be, yeah  
Maybe I can see, yeah, don't you know  
That cold and wind and rain don't know  
They only seem to come and go away, yeah

Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows the way it's gonna be  
Stand by me, nobody knows, yeah, nobody knows the  
way it's gonna be
