I chose the long hard path
I fê... ã, ã! wandering
In self-denial for so long I bled
To find the truth in all I say and do
My darkest hour
I fê... ã, ã! upon the suicide wall

Still I condemn myself
Look for the answer now
All I fê... ã, ã³e denied myself
Kill me
In the end you know I fê... ã, ã! live again
Remember all those things that passed me by
In looking back thru hate I lost my way
I fê... ã, ã³e fallen low before but now I fê...
ã, ã! there
Just give me strength to overcome my fear
