I chose the long hard path  
IÃ|Ã Â| wandering  
In self-denial for so long I bled  
To find the truth in all I say and do  
My darkest hour  
IÃ|Ã Â| upon the suicide wall

Still I condemn myself  
Look for the answer now  
All IÃ|Ã Â³e denied myself  
Kill me  
In the end you know IÃ|Ã Â£I live again

Remember all those things that passed me by  
In looking back thru hate I lost my way  
IÃ|Ã Â³e fallen low before but now IÃ|Ã Â| there  
Just give me strength to overcome my fear
