In his blessed name, who was his own creation  
Who from all time makes his own vocation  
The name of him who makes our faith so bright  
Love, confidence, activity and might

In that ones name who named through oft he be  
Unknown is ever in reality  
As far as our ear can reach  
Or eyesight dim

Thou findest but the known resembling him  
How high soar thy fiery spirit hovers  
Its smile and type it straight discovers  
Onward, thou art drawn  
With feelings light and clear

Where ever thou goest, your mind is the way  
No more thou numbrest, reckonest no time  
Each step is infinite, each step sublime

Unknown is ever in reality  
As far as our ear can reach  
Or eyesight dim
