

Obsessed "Hiding Mask"

Waiting, watching. Spinning thoughts they torture me.
The words I spoke, mask I wore is no living part of me.
If you're gone now, you're leaving my heart just a
shadow.

I've know a feeling like this feeling fro others
But you're like no other woman.

Pure heart, clean soul, maybe in some way I guided
you.

Summer's torn away, Winter's doorway,
To the winds I spat and lies I threw.

Holding nothing, your Eyes they swim in front of me.
Words deceived, paths believed, tear this mask
Away from me. Just a shadow... I love you
