Bugles beckon to red disaster

Deadmen gnaw

At confined sod

Those who rode

With the one black master

Are now in league

With the knights of God

In courts of kings

A law is made

Of man's doom

His debts are paid

Of man's doom

He waits for one

But do not fear

Chaos is come

The Lion of Mitra broods his spell

Upon the bridge

To the gates of hell

The chain of life

Has stilled his wrath

'Til red death treads across your path
