Elusive dreamland  
Behind the velvet curtain  
Lysergic vision  
Of just a mortal man  
Utopic pastures  
The edge of paradise  
Blue sparkling falls laugh  
With steaming jungle rains  
I want to dream on a pillow of clouds  
Cast aside this neon shroud  
Make a bed in the riverside leaves  
And ride a sunbeam up through the trees  
I want to dream on a pillow of clouds  
Cast aside this neon shroud  
Make a bed in the riverside leaves  
And ride a moonbeam up through the trees
