Hello, life's a dream

Won't you ride with me tonight?

The blade is sharper than

It seems, won't you

Die with me so right

You seem so sick inside

Let your sadness blow away

You know you must decide to

Conquer the madness of the

Day

Hello, life's a dream

Won't you ride with me tonight?

Nothing's quite like it seems

Get high with me for life

It's a fast and easy glide, until the

Sliver dawn

The demons that reside begone
