(Verse 1)

The night has just begun
Let's go out an play
Let's have us some fun
I been waitin' all day

The things I will do,
When we begin to move
Boy if you had a clue,
If you only knew

We can just pretend it's only me and you
I do not recommend people see this view

You will not believe
What I can do to you
When it's only
Us two

(PRE-CHORUS)

Come on baby get your party on
Come on...
Get your party on
Come on...
Get your party on
Come on...
Get your party on
Get your party on

(CHORUS)

Come on, baby, Get Your Party On
P-P-P-P Party til the break of dawn
Come on, Let's Party
Party til the break of dawn
Come on, let's party
Party til the break of dawn
Come on, Let's Party
Come-Come on, baby, Get Your Party On
Get Your Party On

(Verse 2)

Now I've got you out your seat
You're ready to show me
What happens when your
Infected by the beat

You walk over to me
And grab me by the waste
Our bodies are so close
I wanna get a taste

The way you make me feel
I just can not explain
I need your body now
Before I go insane

We only have this chance
And I'm ready to play
I'm about to get my way

(PRE-CHORUS)

Come on baby get your party on
Come on...
Get your party on
Come on...
Get your party on
Come on...
Get your party on
Get your party on

(CHORUS)

Come on, baby, Get Your Party On
P-P-P-P Party til the break of dawn
Come on, Let's Party
Party til the break of dawn
Come on, let's party
Party til the break of dawn
Come on, Let's Party
Come-Come on, baby, Get Your Party On
Get Your Party On

(Verse 3)

I can not hide this feeling
This feeling is surreal
I've been waiting for tonight
The energy I can feel

Our hearts racing so fast
But beating to one beat
It feels like fireworks
When our two bodies meet

Lets keep on keeping on
With you this feels so right
I hope this never ends
Tonight has been my night

You make cra-crazy
I'm feeling like a freak
Lets do it again next week

(CHORUS)

Come on, baby, Get Your Party On
Come on, Let's Party
Party til the break of dawn
Come on, let's party
Party til the break of dawn
Come on, Let's Party
Come-Come on, baby, Get Your Party On
Get Your Party On
