You suffer from Jealousy  
Any doctor would agree  
You suffer from Jealousy  
Stop being concerned about me

You suffer from Jealousy  
You love I guarantee  
You suffer from Jealousy  
Why can't you just let me be

I don't care what you're thinking  
(Go ahead and think that about me)  
I don't care what you're saying  
(Go ahead and say that about me)  
You think you're better than me.  
Look in a mirror, baby  
I don't care if you hate me.  
I'm flattered, couldn't be more happy.

You suffer from Jealousy  
Any doctor would agree  
You suffer from Jealousy  
Stop being concerned about me

You suffer from Jealousy  
You love I guarantee  
You suffer from Jealousy  
Why can't you just let me be

You can call me what you want  
(You know I'm better than you)  
You think that if you are blunt  
I'll pay attention to you.

I must be somebody  
Secretly you would agree  
Or else I wouldn't be the  
One you are trying to be

Jealousy - Jealousy - Jealousy  
Jealousy - Jealousy - Jealousy

You suffer from Jealousy  
Any doctor would agree  
You suffer from Jealousy  
Stop being concerned about me

You suffer from Jealousy  
You love I guarantee  
You suffer from Jealousy  
Why can't you just let me be

You copy everything I do  
You're annoying, please go away  
By now you should get a clue  
You're no one to me, okay  
You're copying all of trends  
And trying to steal all my friends  
Everyone knows you are so fake  
Sorry but this is where it ends - ends - ends

You suffer from Jealousy  
Any doctor would agree  
You suffer from Jealousy  
Stop being concerned about me

You suffer from Jealousy  
You love I guarantee  
You suffer from Jealousy  
Why can't you just let me be
