Free is all you gotta be  
Dream dreams no one else can see  
Sometimes you wanna run away  
But ya never know what might be coming 'round your  
way  
Yeah, yeah, yeah

On a day like today  
The whole world could change  
The sun's gonna shine  
Shine through the rain  
On a day like today...  
You never wanna see the sun go down  
You never wanna see the sun go down

Somewhere, there's a place for you  
I know that you believe it too  
Sometimes if you wanna get away  
All you gotta know is what we got is here to stay  
All the way

On a day like today  
The whole world could change  
The sun's gonna shine  
Shine through the rain  
On a day like today  
No one complains  
Free to be pure  
Free to be sane  
On a day like today...  
You never wanna see the sun go down  
You never wanna see the sun go down

Free is all we gotta be  
Dream dreams no one else can see  
But ya never know what might be coming  
For you and me  
It's gotta be

(Repeat chorus)  
On a day like today...
