Not everyone in New York would pay to see Andrew  
Lloyd Webber  
May his trousers fall down as he bows to the Queen and  
the Crown  
I don't know what tune did the orchestra played  
But it went by me sickly sentimental

Can I have another piece of chocolate cake?  
Tammy Baker's got a lot on her plate  
Can I buy another cheap Picasso fake?  
Andy Warhol must be laughing in his grave

The band of the night take you to ethereal heights over  
dinner  
And you wander the streets never reaching the heights  
that you seek  
And the sugar that dripped from the violin's bow  
Made the children go crazy, put a hole in the tooth of a  
hag

Can I have another piece of chocolate cake?  
Tammy Baker must be losing her faith, yeah  
Can I buy another cheap Picasso fake?  
Andy Warhol must be laughing in his grave

And dogs are on the road  
We're all tempting fate  
Cars are shooting by with no number plates  
And here comes Mrs.Hairy Legs

I saw Elvis Presley walk out of a Seven Eleven  
And a woman gave birth to a baby and then bowled 257  
Now the excess of fat on your American bones  
Will cushion the impact as you sink like a stone

Can I have another piece of chocolate cake?  
Tammy Baker, Tammy Baker  
Can I buy another cheap Picasso fake?  
Cheap Picasso, cheap Picasso fake

Can I have another piece of chocolate cake?  
Kathy Straker boy could she lose some weight

Can I buy another slice of real estate?  
Liberace must be laughing in his grave

Can I have another piece of chocolate cake?  
Can I have another piece of chocolate cake?  
Can I have another piece of chocolate cake?  
Can I have another piece of chocolate cake?
