"Message To My Girl"

I don't wanna say I love you
that would give away too much
hip to be detached and precious
the only thing you feel is vicious

I don't wanna say I want you
even though I want you so much
it's wrapped up in conversation
whispered in a hush

though I'm frightened by the word
I think it's time that it was heard

no more empty self possession
visions with another man
it's no new year's resolution
it's more than that

now I wake up happy
warm in a lover's embrace
no one else can touch us
while we're in this place
so I sing it to the world
simple message to my girl

No more empty self possession
visions with another man
it's no new year's resolution
it's more than that.

And there's nothing quite as real
as the touch of your sweet hand.
I can spend the rest of my life
down in the sand.
